

# 'The Talent Portal'

Is the way we bring scale to our vision of making connections between young people and opportunities that are right for them.

It's a powerful tool that allows you to manage all aspects of Apprenticeship & Traineeship attraction, engagement and selection. It incorporates all the reporting and performance management data you would expect, but uniquely, it also gives you access to a database of over half a million applicants from day one of our partnership.

**14,190**

colleges, PTPs  
schools and  
employers use  
GMFJ
